

NOTICE.

THE MANAGEMENT OF THE BONANZA WILL CONSIDER IT A FAVOR IF PATRONS OF THE PAPER WILL REFRAIN FROM PURCHASING THE PAPER FROM ANY OF THE CARRIERS, AS THIS IS STRICTLY PROHIBITED. REGULAR CARRIERS HAVE NO AUTHORITY TO SELL PAPERS.

RESUME SINKING ON THE BOOTH

MANAGEMENT IS GOING AFTER RICH ONE ON GOLDFIELD PROPERTY.

The work of sinking on the Booth property at Goldfield has been resumed at the 385-foot level, with a big force of miners, for the purpose of tapping the rich ledge of ore that is running from the Donnellan lease on the Red Top. Two leases have been let on the property and the lessees started to work immediately. The air for driving the machine drills is purchased from the Mohawk and the task of reaching the depth they desire will be of short duration. The feature upon both the San Francisco and Goldfield exchange for the week just passed has been Booth. A great demand for the stock is constantly made, but little can be had.

HOSE TEAMS TO RACE THIS EVENING

The hose teams will have another race this evening at 8:30 o'clock. The objective point will be the Tonopah & Goldfield meat market, which is more central to the three fire stations. The alarm will be sounded by three blasts of the Valley View whistle. The usual large crowd will undoubtedly be present to witness the race.

PERSONAL MENTION

Mrs. Paul Los Kamp left yesterday for Denver.
Charles Rieger leaves this morning for Bishop.
Walter D. Cole returned from Manhattan yesterday.
W. L. Carden was a visitor from Goldfield yesterday.
J. B. Cook of the Montana mill left yesterday morning for a visit to California.
H. F. Warburton, deputy county recorder and auditor, is back from a trip to southern California.
Sheriff J. J. Owens returned yesterday from an official business trip to the northern portion of the county.
Dr. and Mrs. J. D. Grissim will leave this morning for Oakland, California, where they will in the future reside.
J. R. Woodbridge, of the Western Ore Purchasing company, formerly of Tonopah, but now of Goldfield, was in this city yesterday.
Mrs. A. A. Bass returned from Ithaca yesterday morning after an absence of several weeks. Mr. Bass has extensive interests in the new camp.
H. N. Teaf, late auditor of the Tonopah Belmont, accompanied by Mrs. Teaf and Master Teaf, will depart this morning for Philadelphia. The Teafs have made many friends during their stay in Tonopah.
J. F. Rawie, who was manager of the local Western Union office during the absence of Manager Morris, has been assigned general supervision of the Western Union offices at Portland, Oregon. This is the second important office of the corporation on the west coast and it is a deserved recognition of the ability of Mr. Rawie. The Bonanza and the many friends he made while in this city desire to extend congratulations.

COL. ALONZO TRIPP BACK IN TONOPAH

ENJOYED HIS TRIP TO THE SCENE OF BOYHOOD DAYS

Col. Alonzo Tripp is back in Tonopah receiving the congratulations of his friends on his juvenile appearance. The genial railroader says that it is accounted for by the fact that he has spent the summer back at the scene of his boyhood days and down at the old swimmin' hole. Colonel Tripp says that the investing eye of the east is throwing searchlight glances in the direction of the mineral bearing hills of Nevada. Money is becoming easier and as money must earn money there is no more inviting field than the west. Railroads are projected in every direction to tap the mining camps and convey the ores to the smelters. Traffic is increasing constantly and the American people seem every year to evince a desire to visit the mountain and seaside and spend their time in the beautiful places of which this country abounds.

LEAGUE BALL GAMES TODAY

The Eagles-Elks and Tonopah Mining company's teams will cross bats on the local diamond today and the game will be called at 3 o'clock sharp. A good game can be expected as both teams have been considerably strengthened. Kelly is slated to umpire.

The game at Millers will be between the Montanas and Millers. A good game can be looked for as both teams are at the head of the percentage column and are anxious to hold their places.

WILL DELIVER FREE LECTURE

The Rev. Henry B. Hudson, field secretary of the International Reform bureau, will lecture tonight in Tonopah at the pavilion theater on the subject of gambling. Everybody is invited. There will be no admission and no collection. Lecture begins at 8 o'clock.

ELKS PARADE IN THIS CITY

The national convention of the B. P. O. E. at Philadelphia in 1907 was undoubtedly the greatest fraternal gathering in number and guests distinguished ever held in the world. Perhaps few would have a conception of the enormity of this entertainment and the nature of the proceedings were it not for some fellow that pestered around with one of them moving picture machines. Anyhow you can see the parade, the floats, and best of all, the most beautiful be-decked city at this time—that of the B. P. O. E. assembly. This film will be seen at the Butler Monday evening. The house was well filled last evening.

Miss Emmett sang nicely. Arthur Burrows was pleasing. There will be a matinee today for ladies and children at 3 p. m.

Colonel Haas has an ovation—something great for Wednesday and Thursday—but he won't tell.

If you desire ruling or binding in a first-class manner call up the Bonanza and our solicitor will attend to your wants.

MANHATTAN IS A BUSY HIVE

MILLS ARE NOW HANDLING THE ORES OF THE NORTHERN CAMP.

Tom Kendall and W. J. Douglass returned yesterday from a two days' visit to Manhattan. Mr. Kendall said: "Manhattan is getting down to a solid business basis. Litigation hill is a hive of industry. New leases are being given all over the camp and work is being prosecuted in many places that for many months had been left lying idle. The Chapman mill, which has recently inaugurated a cyanide plant in connection with the mill, started work yesterday. The Lemon mill is rapidly being put in shape under efficient mill men and will begin grinding in about ten days. We have just sent 740 tons of ore through the Peterson mill, 300 tons of this averaged \$49.75 a ton while the remaining 440 tons went a little better than \$33.

"I look for Manhattan to produce a great amount of bullion now that the mills are getting in shape and handling the product. The leaser gets a quick return from his work through the medium of the mill and the money is ready for him to meet his pay roll at the end of each month. The wage schedule has been settled and I want to repeat that conditions are very favorable in Manhattan."

FIGHT SHOULD BE CLASSY ONE

WEEKS AND DOUGHERTY BOTH HAVE FOUGHT MANY BATTLES.

If any one imagines for a moment that at the coming fight the participants are not fighters of class all they have to do is to scan their records. Freddie Weeks, the clever boxer, has been in the ring since 1905, and in that time has had twenty-four ring battles, of which twelve were knock-out, five no decisions in places where the law prohibited a decision, five in which he was given the decision, one in which he had his man knocked out the referee dragged the beaten man to his feet and declared a foul. The only time that Weeks has ever been whipped was by Abe Attell, who holds the world's championship, when that premier fighter knocked him out in Los Angeles.

Kid Dougherty is also a trained fighter. Those who witnessed him in the boxing contest with Weeks on the night of the Fourth of July, are willing to admit that Weeks had in him an opponent that thoroughly tested his mettle. Opinion was equally divided as to who had the better of the contest. Six rounds was entirely too short to venture an assertion as to which was the peer. The coming twenty-round encounter will determine the best man, if they can go the route.

CANDIDATE FOR JUSTICE OF PEACE

Judge W. A. Sawle, who is one of the most faithful workers in the Republican party, has come out as a candidate for justice of the peace, subject to the decision of the Nye county Republican convention. Judge Sawle is no novice in this position, he having been elected four years ago. He filled the office acceptably for one term. He has always been faithful in the discharge of his duties and if chosen by the convention will undoubtedly be elected.

WE ARE "CHESTY."

If any one by chance should happen to notice the Tonopah newspaper getting on a millionaire stride with an "I'm the only pebble" expression on his "phiz," it can be attributed to the fact that he is now to have a world-wide reputation. This is all caused by the dedication of a march which is written by F. P. Harlow, and is entitled "Tonopah Press March."

REASON ENOUGH.

"You feel sure he is your enemy at heart?"
"Absolutely sure," answered Senator Sorghum.
"Yet he always speaks of you most pleasantly."
"Yes; but he keeps on suggesting me as a candidate for the vice-presidency."—Washington Star.

CHARITY BALL WAS A SUCCESS

TIDY SUM OF MONEY RAISED TO ASSIST DESTITUTE WOMAN AND HER CHILDREN.

The charity ball given at the Miners' Exchange hall last night drew out a large crowd of people and all who attended had a most enjoyable time. To those who so generously lent their assistance by the purchase of tickets, the knowledge of a contribution to a good cause should be sufficient satisfaction. The ladies having in charge the ball saw to it that every one was given a good time. Mesdames R. H. Vail and W. J. Wilson, who were indefatigable workers, will be able to turn over to the destitute mother and her five children the tidy little sum of something over \$100. J. M. Klein, who ably assisted the ladies in deserving of much credit. The ladies are desirous of expressing their thanks to Messrs. Harry Downs, Chester Ismert, George E. Holesworth and H. C. Thomas for their aid, to the musicians and the management of the hall for the courtesies extended.
